

Age: 17.

Horse you are showing this year: Royal Good Fortune (aka Phoenix). I just purchased him this year he's my first horse of my own!

Coach: Jodi Mallette

Class(es) You Are Showing In: Novice youth Hunter Under Saddle, Equitation, Horsemanship, Trail, Western Pleasure, Showmanship. My favorites are Hunter Under Saddle and Trail!

Favourite Song: Tim McGraw - My Girl.

Favourite Movie: The Notebook

Favourite food: Caesar Salad

Biggest Achievement: I have had many achievements that I am proud of but I don't have one that stands out the most. Some of them are receiving the Athletic Award in Grade 8 at my elementary school, receiving my standard bred license, and achieving high marks in school.

Favourite Aspect of Your Horse: His personality! He can be a huge brat and not many people like him because he's bad- but I love it. Also, the fact of thinking that when he was born his owner, Donna Reid, at the time was told to put him down cause he would never make it but she didn't, and now he is the best horse in the world to me and makes a great show horse for me!

Why you show: This is my first year showing Area 3 all summer so it should be a great time and I can't wait! I showed at Summer Circuit last year and had so much fun and it made me decide I would like to do it all summer this year with my own horse.

Future Goals: I'm in grade 11 now, and I am taking course that will help me get into Guelph University after my Grade 12 year. I would like to enroll in there veterinary medicines course there. I have wanted to be a large animal vet since I was 4 years old and would still like to pursue that career some day. I have been around horses since the day I was born because of my dad being in the standard bred business and I love every part of them!

Good Luck to Courtney & Phoenix in their first year showing AQHA together!
